Accessibility Support Center

Cabrillo College
Who is the ASC?

The Accessibility Support Center (ASC) is the office on campus that provides resources to students with any kind of disability. We ensure that everyone has equal access to the classroom and learning experience, supporting students in overcoming barriers to accomplish their academic goals.
Who do we serve?

Disability for us is defined very broadly!

➔ Physical illness or impairment

How to receive services

If you’ve received services in the past from another college, or have ever had a 504 or IEP, or have been formally diagnosed with a physical or mental health issue by a licensed clinician or doctor:

Step 1: **Make a new student appointment** with a counselor (831-479-6379 or 831-479-6370), **bring your documentation** with you

Step 2: **Get your accommodations** during drop-in the first two weeks of the semester

Step 3: **Give your accommodation form to your instructors** and continue to work with them and the ASC to ensure you’re getting the right resources for you.
How to receive services, cont’d

If you think you might have a learning difference/disability and would like to find out more:

Step 1: Make an appointment for an “LD Orientation” (831-479-6379 or 831-479-6370)

Step 2: Complete **group test** and get provisional accommodations

Step 3: Complete **individual testing**

Step 4: Get **results** and further **accommodations**
If you’re struggling with school for any reason, but have never been diagnosed with anything formally and want to ask some questions and explore your options:

Step 1: **Make an appointment** to meet with an ASC counselor (831-479-6379 or 831-479-6370)

Step 2: **Follow up** on next steps defined in counseling meeting
